

The Western Hemisphere Africa Diaspora Network (WHADN) is proud to invite you to the launch of a new and powerful initiative for HIV/AIDS Orphans and their caretakers in Africa, **“The House of Nanny”**. This initiative is being implemented in Africa by NGO’s, CBO’s, the Private Sector and Humanitarian Organizations, specifically designed to reduce the impact of HIV/AIDS at the household level in Africa.

A Grandmother taking care of her late son’s children declares, *“The children’s parents were supposed to be taking care of me. Now they are dead and I am nursing their children”* (Kenyan Daily Nation Newspaper, September 23, 2003).

Please join us at this important occasion as we launch a bold plan to reach every HIV/AIDS orphan and their caretakers in Africa.
